

Posters, Signs, Etc.

Section 14-109. – No person, firm or corporation shall erect or maintain any sign, poster, advertisement, or notice on or over any street, alley, right-of-way, utility pole or pot located on any public right-of-way, or street or any public building or other public place without having first obtained a permit therefore from the Village. Application for a permit for thirty days or less shall be made to the Village President, and for a permit exceeding thirty days to the Board of Trustees. The granting or denying of an application shall be entirely discretionary.
