

Village of Oakwood Hills

CORRECTION

On Friday July 12th in the Northwest Herald they printed that **all** the culverts in Oakwood Hills would be replaced which is **incorrect**. They did print a correction on Saturday but I want to make sure that the residents understand what was actually stated. Working with Algonquin Township we will be cleaning many of the old culverts over then next few years. We will also be digging out some of the lawn areas between the culverts to make a deeper swale where needed. Although the village owns the property as part of the road right of way we will be making ordinances so that there is a clear description of what is allowed in that area and what is not. We are in the very early stages of planning this project but hope to start next spring. There will be a long term plan to continue to maintain the culverts to avoid any future problems. Please send any questions you have to me at Mfunk@oakwoodhills.org. Thank you.
