April 16, 2020

PRAIRIELAND BULK PICK UP UPDATE

Effective April 20th, 2020, Prairieland will be making changes to their bulk item pickup services in order to better serve the communities during this difficult time. Beginning Monday, April 20th, they will resume pickup of bulk items at the curb, however all items outside of the containers will need to be bagged or wrapped in plastic to ensure their Driver’s safety. For example, mattresses, couches, chairs, carpeting, extra household trash, cardboard ext. will need to be bagged or wrapped in plastic and put at the curb. Bathroom fixtures, including toilets will also need to be bagged or wrapped in plastic. They will be posting this update on their website at:

PrairieLandDisposal.com.

If you have any questions or concerns, please call Prairieland at 847-381-9300.
